

## Lesson 1: Matter and Energy

Watch the following video about the Sun and then answer these questions.

**Web Link:** <https://www.movingbeyondthepage.com/link/8280/>

1. What is the source of the Sun's energy?

---

---

---

2. What forms of energy does the Sun release?

---

---

3. What may happen to the Sun in about 6.5 billion years?

---

---

---
